

YOUR CURRENT VEHICLE

2018 Chrysler Pacifica

Removal & Installation

REMOVAL AND INSTALLATION

REMOVAL

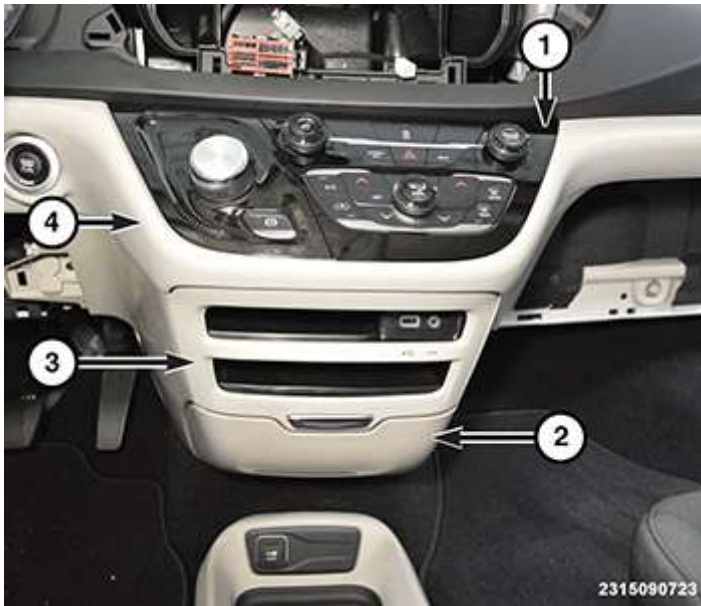

1. Open the glove box.
2. Using a trim stick, remove the switch bank pod assembly (1).
3. Remove the screw located in the media hub bezel (3) opening.
4. Open the bin (2), and using a trim stick remove the media hub bezel.

NOTE

Start removing from the center of vehicle and rotate the part outward to release the end from the right side A-pillar extension.

5. Using a trim stick or equivalent, remove the instrument panel center trim panel (4) and disconnect the wire harness connector.

INSTALLATION

1. Insert the outboard end behind the A-pillar extension, then position the instrument panel center trim panel (4) and hand tap to engage the retaining clips.
2. Position the media hub bezel (3) and hand tap to engage the retaining clips.
3. Install the screw located in the media hub bezel opening, and tighten securely.
4. Install the switch bank pod assembly (1).
